Efast Express Road Freight

We solve express, dedicated and time critical transport challenges anywhere between all 28 EU Member States.

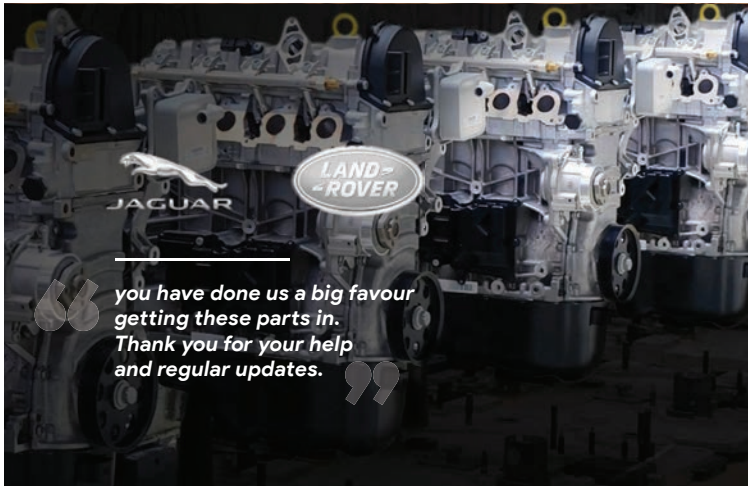
By sourcing the right vehicle at the right time and at the right cost from our fleet of Lutons (8 euro pallets) or Sprinters (5 euro pallets) for up to 1300 kg shipments - and now up to 4000kg (19 euro pallet) with our new Efast® XL service.

Kimberly-Clark
Thank you for your assistance for the first 30 loads of our 'French Direct Deliveries' project. Your on time delivery performance was 100%. Really perfect job. Thank you!

schumacher
Supplying the largest e-Retailers with packaging that will survive the vagaries of fast pan European distribution.

GKN
Thank you very much for always keeping us up to date with all details...

Champagne Lanson
You've all done a fantastic job. Could you please pass on my thanks to your driver for making this delivery happen. I am extremely grateful and relieved!



JAGUAR
LAND ROVER
you have done us a big favour getting these parts in. Thank you for your help and regular updates.

Menissez
Needing perishable product focus and that deadlines are met at all times.

CURTISS WRIGHT
We are happy to deal with a company that is excellent on communication as well as delivering promises on time.

AGC
First time I was using Efast express service, information was clear, constantly updated and fast feedback...

The Allium Alliance
Thanks for this additional capacity. You don't know how much I am relying on you!...
